Arrival

Individual play opportunities in cohort area

Separate class entrances

Physical distance in line-up

Enter one at a time

Follow teacher direction

Parents/Guardians remain outside of building

Departure

Follow teacher direction

Depart one at a time

Maintain physical distance while

- waiting for pick-up

- exiting the school ground to walk home

- waiting to board the bus

Personal Measures

Wash hands

Cough and sneeze into elbow, sleeve, or tissue (wash hands)

Avoid touching eyes, nose and mouth

Physical Distancing

Give friends lots of space

Avoid hugs and handshakes

Keep hands to self

Snack/Lunch Procedures

Wash hands before and after eating

Do not share food with friends

Place garbage in the garbage can - everything else goes home

Washroom Access

One at a time from each class

Wash hands before leaving the washroom and again when back in class

Outside Learning and Play

Playground structures will be open but cleaning and wiping down of structures **will not** occur

Check out the individual equipment and side walk chalk

Hand washing will occur before students go and once they come in.

Ask if you are unsure - we are all here to help you!
